Re: Kasher Dispute Resolution Committee (DRC) - Question Regarding Adjustment of Occupational Seniority

Attention All Members;

The Local has sent the DRC questions regarding the effect of Article 16(a) on those ex-TWA LLC members on RIF and legacy AA members. The issue of whether the Kasher 4/10/01 placement date can be affected by the provisions of Article 16(a) and how that impacts those who remain on RIF. Currently, the only station affected is LAX Title I and this has resulted in a pause in the recall process at LAX.

Given the serious nature of the all Union matters, specifically those that concern occupational seniority, Mr. Kasher is diligently reviewing all the relevant information and this is taking some time. As soon as the issue has been decided and published, it will be posted on the Local's website.

Fraternally,

Chris Oriyano
