**Re: Seniority List Corrections**

Members who have reason to believe their placement on the System Seniority List must file a protest per Article 13 of the TWU/AA Agreement<sup>1</sup>. The following process must be followed in order to have the member's protest considered by the Panel.

1. Obtain a "System Seniority Protest Form" which can be downloaded from the Local's website
2. Fill out the form completely and attach the following documents;
  - a. A copy of your SHARP Pay History – contact your station's HR representative for a copy
  - b. A copy of the System Seniority List showing the current placement of the member filing the protest
  - c. A statement of where the member believes they should be located and why
3. Submit the completed form and documentation to your station's union representative for review and submit to the Local for processing

The Local will submit the completed form to the International and will notify the member of the response from the panel.

There are no exceptions to this process and incomplete forms will be sent back to the Local.

Fraternally,  
(Signed original on file)
