UPDATE ON LOCAL 564 STATION RECALL LIST

There have been several inquiries concerning the status of the station recall list for Local 564. Due to an incomplete recall information from the company and the ATD, the decision was made to remove the unofficial list from our website. Since that time, there has been an effort to update the recall list. Local 565 Executive Board Member, Robert Vandelloo, has been working with Employee Services representative Mary Tinsman to facilitate an accurate list. Once we receive this updated list (possibly November), it will be re-posted back on the website. Some locals continue to have recall lists posted on their websites. I cannot speak to their accuracy or inaccuracies. I would opt to wait until such time an accurate list is produced in order to ensure no one is bypassed.

Fraternally,
